New Council Takes Oath of Office

In November 2025, Lewisville residents cast their votes to choose the leaders who will represent them for the next two years. The Town's newly elected council members officially took their oaths of office during the December 11, 2025, council meeting, marking the start of their terms of service.

Those elected to lead our community are Mayor Billy Carter, and Council Members Brady Allen, Fred Franklin, Gerry Gallagher, Stacy Howard, Suzanne Newsome, and Mack Wilder.

Our town depends on the commitment of individuals who serve in

both elected and appointed roles. Their leadership, time, and dedication help guide the policies and decisions that shape our everyday lives. We extend our appreciation to all who serve and look forward to a productive two years ahead.

2025-2027 Council

To-Go Cups Accepted in Curbside Recycling

Exciting news! Waste Management (WM) announced that plastic and paper to-go cups will now be accepted in Lewisville's curbside recycling. This includes plastic cups made of polypropylene and paper to-go cups.

"This is a big deal and a significant addition to WM's services. We really hope people will pay attention and take advantage of this recycling update," Lewisville Public Works Director Jon Hanna said.

Including these items in curbside recycling helps more materials to be recycled and used again in a

new product or package.

Find more information about recycling at lewisvillenc.net/recycling.

Provided via Waste Management

From Your Mayor **Hello Lewisville Citizens!**

My name is Billy Carter. For those of you reading, thank you for your time. As a leader, I place a high value on relationships. These letters will provide a wonderful opportunity for me to connect with you, as I hope to be a vessel of inspiration to you all.

Thank you to Mayor Mike Horn for your 30 years of leadership and guidance for the Town of Lewisville. You've been a forward-thinking leader. Generations of Lewisville will be able to remember you with admiration for the consideration that you and our retiring Town Council members showed in making decisions that shaped the long-term success of Lewisville over the years.

Thank you to Dr. Kevin Sharp for being a man of class during the 1st partisan election in Lewisville. We had a wonderful conversation on election night. I send my best wishes for success to him and his beautiful family.

I always must begin with a disclaimer that I'm not Jimmy's brother, though I understand it's an honest mistake. I'm originally from Winston-Salem. I was raised by a determined single mother who taught me to work hard and remain humble.

I have no children, but I look forward to the blessing of a wife and family one day. Though I have no children, I'm proud to take on the duty of being responsible for 14,000 people. I have a great level of respect for all of you parents out there. I will face some tough days, as is to be expected as Mayor, but nothing compares to the work of a parent.

I attended Konnoak Elementary School, where I believe I remain the only student in history to never be absent a day from kindergarten through 5th grade. I attended Meadowlark Middle School, Parkland and RJ Reynolds High School. I graduated from RJ Reynolds,

class of 2010. Yes, your mayor graduated in 2010!

I work in financial services. Through a healthy balance of relationship building, sales, mentorship, insurance and finance, my career has been an amazing journey filled with the organic growth and development needed to become an effective leader. I'm also a proud member of the Lewisville-Clemmons Chamber of Commerce.

I'm an avid fan of sports. Some of my best memories came with the Winston-Salem Tiny Indians football team, or my time as captain of the Parkland High School wrestling team. I'm also not afraid to say that I am a huge fan of the Duke Blue Devils. I always have time for a friendly debate with all of you Carolina fans.

Through these installments, I'll cover topics that I believe you'll find interesting as a reader and as a citizen living here in Lewisville. What I must say is that I want to have a relationship with you all that goes beyond the Lewisville Citizen newsletter. I'd like to meet each of you 1 by 1 or in groups. Please don't be afraid to reach out so we can set up some time together.

I'm here to work. I'm here to be available. I'm here to collaborate.

My name is Billy Carter, and I'll be providing Leadership That Lewisville Can Lean On.

Billy Carter

Mayor Billy Carter

Cliff Lewis Receives Town Award

The Town of Lewisville has presented the "I'm One of the Reasons Lewisville is a Great Place to Live" award to Lewisville resident Cliff Lewis.

Mayor Mike Horn honored Lewis for his involvement with public art in Lewisville. Lewis' donations of three Frank Holder sculptures to the Mary Alice Warren Community Center show his commitment to art and enhancing public spaces. The two dinosaur sculptures, named Lewissaurus and Elliesaurus, are at the rear of the building, and Opal the ostrich greets visitors at the front entrance.

Cliff has also been a dedicated leader for the community, serving as president of the Lewisville Fire

Department for 18 years.

"I've lived in the Lewisville community for almost 50 years. Lewisville is very much a part of who I am," Lewis said while accepting the award at the November 2025 Town Council meeting. He also posthu-

Cliff Lewis and Mayor Mike Horn

mously recognized Frank Holder for his incredible artistry and our community firefighters for being an important part of the town.

"I've always found [Lewis] to be an amazingly generous, kind, considerate, knowledgeable, giving-of-himself type of person," Mayor Horn said.

"I want my efforts and all to be seeds, with the idea to encourage other organizations and people to adopt a roundabout, and to understand that to make Lewisville great, we all have to step forward," Lewis said.

Congratulations, Cliff Lewis, and thank you for your contributions to the community.

Christmas Tree Pickup — Jan 12

Christmas tree removal begins on January 12. Please remove lights and all decorations before placing trees curbside by 6 a.m. that Monday.

There will only be one pass through town to collect trees, so mark your calendars!

From the Firehouse Employee Spotlight: Omar Chavez

Omar Chavez joined the Vienna Fire Department in 2022, arriving with a full slate of certifications, EMT credentials, and a strong recommendation from the Advance Fire Department. He joined the department's fast-track orientation and quickly became a vital part of the team.

"Omar is a great asset to our training staff and cadet firefighters," Vienna Chief Tim Lasley said. "Medical, rescue, and fires, you can count on Omar."

Chavez moved to North Carolina in 2016 and joined the Advance Fire Department that year. He completed multiple EMT and firefighter certifications; all while working at a full-time job and part-time with the fire department.

Chavez's commitment has not gone unnoticed. He was honored as the Vienna Fire Department's Firefighter of the Year and Rescue Member of the Year in 2024, and received the Firefighter of the Year award again in 2025.

"We are proud to have Omar and his family in our family," Chief Lasley said.

Omar Chavez

Winter Fire Safety Tips

- Keep space heaters at least 3 feet away from anything that can burn.
- Use only UL-listed or approved heaters and plug them directly into the wall.
- Turn space heaters off before leaving the room or going to sleep.
- Have chimneys and furnaces inspected and cleaned yearly.
- Use a fireplace screen to prevent sparks and embers from escaping.

Call our non-emergency line at:

Lewisville Fire Dept: (336) 945-5983

Vienna Fire Dept: (336) 945-5631

Environmental Conservation & Sustainability Committee

Welcome to 2026! A new year, a new mayor and council, a new road and who knows what else! Hopefully, a new awareness of the precious world around us and how we can take care of it.

Many thanks to those who used the Holiday Cardboard event to recycle the stream of boxes that marks this season. Cardboard and chipboard, those lighter weight containers for gifts and cereal, are able to be reconstituted into new boxes, paper towels or even toilet paper. This year, start to look for and buy repurposed items. Online you can find anything you ask for, so ask! Products made from recycled plastic and paper are available. They are often a bit more expensive, but isn't your home worth it? Lewisville is a wonderful place to live and if we each find a few more ways to reduce waste and conserve energy, our Town benefits.

Keep saving weird recyclables for Earth Day and beyond. Here's to the start of a fantastic year!

E-Cycling Event — Jan 17

The 2026 E-Cycling Day event will be hosted by Waste Management for Lewisville residents on Saturday, January 17, from 9 a.m. to 1 p.m. This year's event will be in the Lewisville Public Works Building parking lot, which is across from Shallowford Square.

Items accepted include televisions, computers, any computer cables, computer mice, computer speakers, printers, scanners, floppy drives, optical media, external hard drives, as well as cell phones and cell phone chargers. The full list of acceptable items can be found on the Town website, including which items are not accepted.

This free event is a great opportunity to dispose of electronics while recovering valuable resources and saving energy.

Thank you for your participation in this event.

For more information about the 2026 E-Cycling event, please visit [lewisvillenc.net/e-cycling](https://www.lewisvillenc.net/e-cycling).

Call for Sunshine List Distribution Requests

DID YOU KNOW? Even if you do... It's time to renew your requests!

Have you ever wondered how you could find out more about what is going on with your Lewisville Town Council and Boards or Committees? Have you heard about the Sunshine List?

In North Carolina, the Sunshine List is a list of individuals and organizations that have requested to receive notice of public meetings and public hearings from public bodies. This list is commonly referred to as the "Sunshine List". Public bodies are required to provide notice of meeting and public hearing to anyone who requests the information. This allows residents to stay informed about the operations of local government and to participate in the democratic process.

So how can you be a part of the Sunshine List? Just use the QR code below and complete the "Request for Sunshine List Notifications". **Please note that even if you are currently receiving notifications, everyone must complete an updated request to remain on the distribution list.** Don't miss out...get your submission in today!

[lewisvillenc.net/sunshine](https://www.lewisvillenc.net/sunshine)

Roundabout Construction Starts Soon

Construction on the new roundabout at the intersection of Robinhood Road and Lewisville-Vienna Road will be beginning in early 2026. Construction is being performed by BW Infrastructure, LLC., the firm awarded the project.

Once complete, the roundabout will improve safety and help ease congestion in the area. Updates will be posted on the Town website as this project progresses.

UPCOMING 2026 *Arts Alive in Lewisville Art Show*

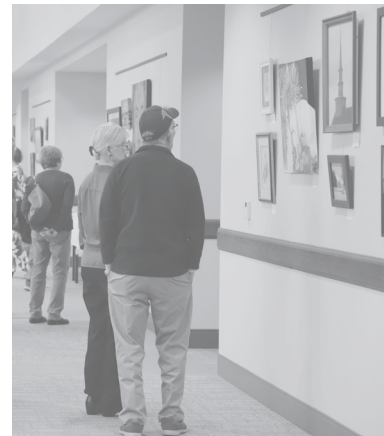

The Lewisville Public Art Advisory Committee is hosting the *Arts Alive in Lewisville* art exhibit in early 2026!

This exhibition will run from February 20 to May 3, bringing beauty and creativity to the walls of the Mary Alice Warren Community Center, showcasing the incredible work of our local artists.

You're Invited! Help us kick off the exhibit with an Opening Reception on **February 20 from 4:30 to 6:30 p.m.** See the incredible work and meet the artists. We'll have light refreshments to enjoy as well.

Call for Art: Submit your artwork for consideration by January 9 at 1 p.m. Artists ages K through adult who live, work, attend classes, or regularly do business in Lewisville are invited to submit work. This is a juried art exhibit.

Learn More: For more information about the art exhibit or to submit your work, please visit lewisvillenc.net/art.

From the Desk of Jon Hanna

Are You Recycling or Wish-cycling?

I tend to be obsessive about recycling, which I'm sure gets on the nerves of my coworkers and family. It turns out, though, that many of you are, too. In Lewisville last year we had 95% participation in curbside recycling with a respectable 8.19% contamination rate. Those are great numbers, y'all!

While I'm really proud of Lewisville, I'm going to challenge some of you to get better about "wish-cycling". That is putting something in the recycling bin that theoretically *is recyclable*, but is not on the list of Waste Management (WM) approved materials.

In the case of the plastic play slide in the photo below, it's never even going to make it into the truck. Neither will the box, even though it is perfectly acceptable if it is broken down and flattened. In the case of the bagged material, it will literally get kicked out by the machines at the sorting facility and make its way to the landfill as trash. We've toured the Material Recovery Facility (MRF) and watched this happen in person. Please – empty the bags into the bin and save your specialty items for our special recycling events. Next up is holiday cardboard (please don't put trash in the bins) and

then E-Cycling (held at the Public Works building this year).

Also, our partners at WM have added plastic and paper to-go cups to the list, so don't throw those away after your trip to one of Lewisville's great coffee shops!

Lewisville's First Community Day

Save the date! We're planning the first annual Community Day for the Town of Lewisville on May 2, 2026, from 10 a.m. to 2 p.m. at Jack Warren Park. There will be vendors, games, and recycling opportunities. Check out the March-April Town newsletter for more details.

MOVEmber Milestones: How Our Town Stepped Up!

The results are in and quite impressive! MOVEmber was a challenge to get residents out and active and submit a log of miles or steps for the month of November.

All nineteen residents who submitted their log qualified for a \$25 gift card and the winner was... drum-roll... AMY SEELEY. She logged a whopping 362,781 steps!

Other impressive stats include a total of 890.6 miles logged and 2,919,969 steps logged! Way to keep that MOVEmber momentum going and stepping up to the challenge. We will do it again in 2026!

COMMUNITY CALENDAR

JAN 1 & FEB 5

Love Your Neighbor

New Day Community Church invites you to a free monthly dinner the first Thursday of the month from 6-8 p.m. at 1111 Lewisville-Clemmons Rd. Since Covid, too many people have felt isolated and alone. Our sincere hope is to create community and foster new relationships with those around us. We can't wait to meet you!

For more, 336-782-0331.

JAN 18

Shallowford Series Concert

Shallowford Presbyterian Church presents the first 2026 Shallowford Series concert at 3 p.m. The concert will feature piano, wind, and string artists of the University of North Carolina School of the Arts. The concert is free to the public with optional donations in support of the series. Light refreshments available. ShallowfordPresbyterian.org

JAN 12

Ancestry & Imagination

The Lewisville Historical Society invites the public to enjoy a program at the Mary Alice Warren Community Center at 6 p.m. Author Doug Shoues will be discussing his two novels on the American Civil War, American Janus, and American Achilles. He will have copies for sale. Light refreshments will be served. Free and open to the public. Co-sponsored by the Lewisville Historical Society and the Lewisville Branch Library.

For more, call 336-766-5842.

FEB 7

Be My Victorian Valentine

Join the Historic Nissen House at 213 Arrow Leaf Dr. for a charming day as we delve into the romantic tale of Lewis Case Laugenour and Mary Elizabeth "Betty" Nissen. Discover how love was expressed in that era and experience a delightful card-making activity, crafting your

own vintage-style valentines.

Required RSVP. Donations accepted. Three time slots available: 11 a.m., 12 p.m., and 1 p.m.

For more, visit NissenHouse.org.

FEB 15

Shallowford Series Concert

Shallowford Presbyterian Church continues their concert series Sunday at 3 p.m. The concert will feature piano, wind, and string artists from the University of North Carolina School of the Arts. The concert is free to the public with optional donations in support of the series. Light refreshments available.

ShallowfordPresbyterian.org

FEB 28

Children's Consignment

Call the branch at 336-703-2940 for more info or to register for a program.

Generative A.I. and the Town

By: Veronica Leasure, Town of Lewisville Communications Specialist

We've seen Generative Artificial Intelligence* (Gen A.I.) completely change how we communicate in online spaces over the past year, and it has been a bit, well, scary. The images and videos we scroll past every day are becoming more realistic but less real.

It was humbling to realize that I, personally, could no longer tell what was Gen A.I. It's just that good. I found myself second-guessing every video, photo, and caption I saw. It felt exhausting. But after I panicked for the appropriate amount of time, I realized we'll still be okay. There has always been false information on the internet (surprise); this is just a new kind.

As far as the content we're posting and publishing from the Town of Lewisville, we're keeping it real. Not as in 'look at us, we're better than Gen A.I.,' but in that there's enough to worry about, why add to the confusion? Real people will write our articles, and a real camera will take our photos.

Now, that doesn't mean we're falling behind at the Town. I'm doing my part as a communications specialist to be informed

about new technology and stay in touch with others in the communications field to keep your local government information up to date. I'm involved as a member of the North Carolina City and County Communications Association, and regularly attend seminars that affect public information, such as N.C. emergency management and National Weather Service education. The important part of this position is keeping our residents informed and doing so openly and transparently. Right now, that means that the most A.I. we're using is spell-check.

I ask that you please protect yourself when using the internet. When you see something, anything, check the source. Be aware of who is making that post or writing that story, and find out if they're credible.

How we communicate has always been ever-changing and growing. The Town of Lewisville will continue to adapt to those changes. I will continue to adapt with you. The reason I'm in this job is to be a public servant and help care for our residents. That's exactly what I plan to do.

*Artificial Intelligence is a broad field of computer learning. Generative Artificial Intelligence is a specific type of A.I. that pulls from existing data to create new content, such as text and images.

Blood Donors Needed February 11

Mark your calendars for the upcoming Town Blood Drive on **Wednesday, February 11!** The Town of Lewisville is partnering with the American Red Cross to host a blood drive that Wednesday from **1-5:30 p.m.** at the Mary Alice Warren Community Center, located at 7632 Warren Park Dr.

Register to be a donor by calling 1-800-733-2767 or visiting the website, lewisvillenc.net/blooddrive.

Walk-ins are welcome if space allows. Donate blood and help save lives.

Lewisville Civic Club Annual Scholarship

The Lewisville Civic Club will be accepting scholarship applications from graduating high school seniors until March 27, 2026. Three leadership scholarships will be awarded to recognize seniors who have distinguished themselves in leadership and volunteer service to the Town of Lewisville.

Applications are required and online applications are preferred. The top candidates selected must participate in an interview with the Lewisville Scholarship Committee.

Seniors from any public or private

school in Forsyth County are eligible to apply.

For more information, visit the Lewisville Civic Club's webpage at lewisvillecivicclub.com.
