2. Agenda Approval

3. Minutes Approval

- A. October 17, 2022

4. Old Business - None

5. New Business

- A. 2023-2024 Budget
 - i. Requests need to be submitted to jayers@lewisvillenc.net by February 28
- B. Clean Sweep
 - i. Coordinator needed
- C. Discover Lewisville document
 - i. Coordinator needed
- D. Spring plans

6. Clerk Report

- A. Town Manager – James Ayers began as the Town Manager in November.
- B. Public Works Director – Jon Hanna began as the Public Works Director in February.
- C. Pollinator garden mulch – Payment for mulch to initially be placed on the new pollinator garden will come from the Town's budget, not LBC's. This is an expense that if needed, needs to be included in LBC's annual budget requests.
- D. Thinning of perennial garden – This is part of the Town's annual contract and is coordinated with the contractor by Town staff. For many reasons (including weather and site conditions), thinning will not be accomplished in this fiscal year but will be done in the fall as is the typical process.
- E. New contractor – Contract items are handled by staff.
- F. Holder signage and plantings update – Staff is working on both items. Plantings at the dinosaurs will be done as shown on the sketch to LBC last year.
- G. Messick property – This is still in discussions with staff.
- H. Walker's Low Catmint and Germander – Transition is in process with contractor.

7. Next Meeting – March 20, 2023

8. Adjournment
