STAFF REPORT

ITEM:	BUDGET AMENDMENT
SUBJECT:	LOAN OWED FROM THE WILLOW RUN MSD TO THE GENERAL FUND
PREPARED BY:	PAM ORRELL, FINANCE DIRECTOR
DATE SUBMITTED:	11/5/2026

BACKGROUND/SUMMARY:

In FY 2024-2025, the General Fund loaned the Willow Run Municipal Service District (MSD) $263,827 to make repairs to Marblehead Dam. The agreement at the time was that the loan would be paid back using the following repayment schedule:

Fiscal Year	Description	Amount	
2024-2025	Loan from General Fund	$ 263,827.00	
2025-2026	Repayment	$ (37,508.00)	*Paid 1/16/2026*
2026-2027	Repayment	$ (37,508.00)	
2027-2028	Repayment	$ (37,508.00)	
2028-2029	Repayment	$ (37,508.00)	
2029-2030	Repayment	$ (37,508.00)	
2030-2031	Repayment	$ (37,508.00)	
2031-2032	Repayment	$ (37,508.00)	
2032-2033	Repayment	$ (1,271.00)	
Balance	$ -	$ -	

$ 150,032

$ 76,287

The repairs to the dam came in under budget in FY 25-26. So it was recommended by the Town Manager to accelerate the payments in FY 26-27. Town Council approved in the FY 26-27 operating budget repayment in the amount of $150,032 which represents 4 years of payments.

In FY 26-27, it was discovered that the WRMSD is entitled to share in the local sales tax revenue collected by the Town from the NC Department of Revenue. So, for the years between July 1, 2015 and June 30, 2026, the MSD has received a cash transfer from the General Fund of $126,511.11 which represents the local sales tax revenue that the MSD was entitled to during this period of time. With this influx of cash, the MSD is in a good financial position to repay the remaining $76,287 owed on its loan from the General Fund.

STAFF RECOMMENDATION AND REQUESTED ACTION:

Staff is requesting that the Town Council approve a budget amendment to allow the MSD to repay the remaining amount owed on the loan of $76,287. This was also presented to the MSD Board at their October 20th meeting. There was consensus among the group to proceed with paying the entire loan in full.

FISCAL IMPACT:

This is a transaction regarding the due to/from amounts on the balance sheets of the General Fund and the MSD. There is no fiscal impact other than a movement of cash from the MSD to the General Fund.
