- IV. **Old Business**
 - a. 2023 LED (Lewisville Earth Day) – Ms. Roberts updated the committee on vendor response in which all vendors enjoyed the day and agreed to participate in the future. The DJ appeared to be successful. The food truck didn't have great sales. Parking was discussed on how it could be improved in terms of barricades. LED helped improve the special recycling drop off. It was noted that the trash and recycling cans at the Town's parks are faded and not clearly labeled. Staff is aware of this and looking at options. This might be something that could be done through partnership with Waste Management. It was noted the event attendance could have been impacted by the Clemmons Community Day.
 - b. School outreach – The school will not be providing recycling containers for Terracycle items.
 - c. Terracycle update – New poster will be placed on the Town website.
- V. **New Business**
 - a. July meetings – Consensus was to cancel the July meeting.
- VI. **Clerk Report** – None
