1	I know some who walk in JW with children and dog, I won't, but I have friends who don't want to move to L'ville when they know their well behaved dogs are not allowed to walk there. Put 'doggie pot' bags in JW, I see no poop at Tanglewood, all picked up. Wish Joanie Moser was bigger, yeah Forsyth! boo dog hating Lewisville. It can stay clean if you provide proper elements.	4/7/2020 5:55 PM

16	I believe there is more than enough recreational opportunities in Lewisville. The one thing I would like to see more funding in would be recycling. This would help our children and grandchildren, help save the world! The limited number of plastics that are covered under the every other week recycling pick up needs to be expanded! I know Lewisville has special recycling days for special numbers of plastics, but it's all so confusing to track, and not convenient for most people to store all this trash and then make time on the special days to transport it all to the site you designate. I am usually pleased when I call the office in Lewisville, you folks do a good job, thank you, but not so much regarding recycling! I called over there to get more info and the girl referred me to online. Nothing was really available online except a picture of what was allowed. I called back for more info, all I got was a number for Waste Management. Called them twice, left 2 messages, never got a return call. So I can't even verify what you do and don't pick up. Come on folks, it's time we start doing something for our environment! If the we keep on doing what we're doing, nobody will be going to those new improved parks anyway. :(4/6/2020 3:26 PM

52	I dont feel we need more open space. Most residents have yards for kids to play in. We need more amenities such as splash pads or a community pool. Splash pads do not require life guards on duty so that would be a better option. But something that would draw people to the park besides a picnic table. I used to have family reunions at Joanie Moser park and it fizeled out due to not much to do beside a playground for kids. I would love to see a small putt putt course which would be lots of fun for people of all ages.	4/4/2020 7:49 AM

or hot dog cart vendor for added draw.

97	This is much bigger than a "recreation program" because of what would probably be a big taxpayer expense and DOT involvement and all that (I have no idea of the full implications), but I would like to see roads majorly traveled by cyclists get bike lanes. Lewisville has a huge cycling community, and I think we should embrace that by giving them SAFETY. We need bike lanes on such preferred roads as Shallowford, Williams and Lewisville-Vienna, as starters. And I am older and retired and NOT A CYCLIST. LOL!	4/2/2020 10:15 AM

222	Kite Day, Frisbee Day, Drum circles, musical gatherings with "bring your own instrument" to the town Square, etc. Also, I would love to have a safer place for cyclists to gather, park and start out from, that does NOT involve clogging the area around the town square and blocking the entire street. I've nearly run over people on bicycles near the Square before, even going extra slowly and trying to avoid them. Why aren't we designating spaces in the bus lot that they could	3/30/2020 4:19 PM

use after school hours, or finding a way to offer subscription parking in the outskirts of the shopping center, or something? It's impossible to find a parking space near the square sometimes, and they're all out for several hours on the bikes, not using the actual Square.

244	Craft market in the Square - possibly 2 times a year.	3/30/2020 3:47 PM
245	A second play during the year. Additional trails between parks with length. I'm thinking of a 3 or 5 mile loop.	3/30/2020 3:47 PM

217	What I recommend is separate paths for walkers, bikers, and walkers with dogs. It's alarming and unsafe to have bicyzooming up behind you...it startles you and you don't know which way to jump. Dog lovers also need a place in Lewisville where they can enjoy their pups in the outdoors...there would need to be DogSpots throughout (dispensers of poo bags).	4/3/2020 7:33 AM

A paved bikeway would be good for little ones and also all the avid bikers who do not follow roadway use laws and have no respect for Lewisville residents who live here. They ride 2-4 wide and will not move. Sheffiffs should write tickets to those who do not follow traffic laws and would increase revenue for the town.	3/31/2020 10:49 AM

1	The sports field is really bumpy. Soccer balls can't roll, and instead go bumping around, and ankles are easily twisted. It's not actually a good field for sports.	4/8/2020 8:10 AM
2	Can't wait! Love living in Lewisville it's the cutest little town with sweet people. So glad to have found it. (Moved from out of state)	4/8/2020 6:46 AM
3	Saw a great example in Raleigh.	4/7/2020 8:09 PM
4	Know this seems just for dogs, but a walk in Tanglewood shows how you can do both, Thank God for Tanglewood, worth the daily drive and annual entry fee.	4/7/2020 5:55 PM
5	The new "Eagle Scout Project" sign is beautiful and well placed. Could info about length of trail be posted on it? On the backside could educational info about park wildlife and plant identification be added?	4/7/2020 5:42 PM
6	Our tax money should give us some type of free entertainment in the city we live in!	4/7/2020 3:01 PM
7	Part of my land is in Lewisville & taxed by Lewisville, they are lucky to have the Warren Park land.	4/7/2020 11:53 AM
8	I would be willing to pay more tax for better recycling programs	4/6/2020 3:26 PM

10	Lewisville Town is doing great with park space!	4/6/2020 10:34 AM
11	pickle ball courts would be amazing!!!!	4/6/2020 9:02 AM
12	It is very nice the way it is. Do not raise taxes. Lewisville clemmons road is busy enough. I can hardly turn left to get out at sequoia as it is and the trees create a blind spot as it is without more cars at a community center!	4/5/2020 8:41 PM
13	Things should be available to all citizens regardless of ability to pay. Fees keep a lot of citizens from being able to participate. Lewisville had always prided itself on its free activities that being all citizens together.	4/5/2020 4:41 PM
14	For dance classes, yes to fee. For trails and splash pad, no to fees.	4/5/2020 1:18 PM
15	Improved parks and recreational options would be a great way to make our community better.	4/5/2020 1:08 PM
16	If there were sidewalks all the way down Lewisville-Clemmons Rd, all the neighborhoods would have walking access to downtown Lewisville.	4/5/2020 9:20 AM
17	None	4/4/2020 11:28 PM
18	We don't need anything more including a new mayor sponsored community center.	4/4/2020 10:10 PM
19	Please put a basketball court at the least.	4/4/2020 5:51 PM
20	The biggest problem by far in Lewisville is the lack of bike lanes on roads. It is unsafe for both biker riders and drivers to navigate especially when bike riders ride in packs of 3 or 4 abreast.	4/4/2020 4:30 PM
21	Our outdoor activity places and events helps create a kind and healthy happy community!	4/4/2020 3:51 PM
22	Don't tax me for services I do not use!	4/4/2020 3:41 PM
23	Would like to see some events at the park. Right now they are all at the town square .	4/4/2020 1:48 PM
24	Please add extensive bike lanes along main roads. Love our cyclists in town and want it to be a safe coexistence	4/4/2020 1:28 PM
25	Please NO dog park.... already have that on meadowlark	4/4/2020 12:37 PM
26	We love the town of Lewisville, so glad we moved here from Charlotte eleven years ago	4/4/2020 11:46 AM
27	It would be a good idea to charge a nominal fee for people to attend events etc., then those who live within our lewisville township could buy a pass, similar to what is done at Tanglewood Park....surely there could be a fund set up for those we could find who may not be able to afford even the above & gift cards given....	4/4/2020 10:23 AM
28	Keep it free.	4/4/2020 9:42 AM

29	Would be interested in seeing plans for a replacement show for the 4th of July. Very sad to see that go	4/4/2020 8:58 AM
30	Food Truck / Concerts	4/4/2020 8:38 AM
31	Well since all the money has been saved since Lewisville no longer does the beach blast and fireworks there should be plenty. I hate to say it but Lewisville has started to feel a lot like bigger cities to our east that are constantly taking away and not offering anything.	4/4/2020 7:49 AM
32	I love Lewisville. Been here since 1983-my favorite place to come home to. !!!!	4/4/2020 2:31 AM
33	Thank you.	4/4/2020 2:00 AM
34	Don't homogenize...make it special.	4/4/2020 12:30 AM
35	With bicyclists 10+ riding on the busy roads, make them their own lanes or trails before someone gets killed!!	4/3/2020 11:47 PM
36	Thank you.	4/3/2020 11:38 PM
37	This focus is what makes Lewisville special and more than anything else will ensure the right kind of success. Way to go!	4/3/2020 10:20 PM
38	I believe that Warren Park has the potential for being a wonderful educational and beautiful recreational resource for this area. It will require investment in skilled landscaping and professional maintenance. The rewards will be much greater than the investment!	4/3/2020 9:46 PM
39	I'm willing to pay more taxes and share costs. I know I won't use things if I have to think about paying for them though.	4/3/2020 9:42 PM
40	In favor of fees as long as they are not excessive — should be for everyone, especially residents who can't afford or can't get to places like Sawtooth, gyms, studios, etc.	4/3/2020 9:18 PM
41	This is a bit like asking a kid what they want in a candy store.	4/3/2020 8:32 PM
42	Please consider adding a sidewalk on the Shallowford extension in from to Food Lion....I love using the central square area but I like the variety of scenery I get if I go around the loop down one side of the square, down past the pharmacy, past food lion and up belnette (?)	4/3/2020 8:15 PM
43	nature area and a place to plant trees	4/3/2020 7:50 PM
44	Fees should be charged for events.	4/3/2020 7:49 PM
45	Additional tennis courts would be great!	4/3/2020 7:47 PM
46	Not willing to fund improvements to parks unless Lewisville offers pet friendly walking trails. Not fair to leave my community to exercise and walk dogs elsewhere. I am also pro responsible owner who must clean up after their pets.	4/3/2020 7:27 PM
47	I am excited at the opportunity to have more to do without a long drive into Winston.	4/3/2020 7:03 PM
48	Maybe have an Annual Pass such as Tanglewood Park	4/3/2020 6:56 PM
49	Team Pain makes good parks . I'm sure they're are others that are more cost affective. If you all do decide to build a skatepark be sure to have someone who actually skateboards build it.	4/3/2020 6:49 PM
50	I don't want to pay for improvements that brings people from other areas to utilize, disrupt, add traffic, etc for free. This park is very close to my house.	4/3/2020 6:46 PM
51	We love Lewisville! Thanks for asking for feedback!	4/3/2020 3:12 PM
52	I would be willing to pay a small fee (maybe \$5-\$10 per person), if the Quality of the facility warranted it and if it would be appropriate for young kids to use.	4/3/2020 12:11 PM
53	A nominal fee as long as it is a low fee and not taking advantage of residents	4/3/2020 9:53 AM
54	If paying a fee is the resulting option, then ALL visitors should pay a fee. NO SUBSTITUTIONS! None of this free for some and some have to pay nonsense.	4/3/2020 7:55 AM
55	Install poop bag dispensers in all town parks and allow folks to bring their leashed, non aggressive pups in to the parks...	4/3/2020 7:33 AM

56	Fees, if it were to apply, need to be reasonable for the family friendly environment.	4/2/2020 9:25 PM
57	Already pay enough taxes	4/2/2020 7:30 PM
58	This is a great survey....clear and thorough. Thank you!	4/2/2020 3:27 PM
59	More unique special interest events with enhanced marketing and promotion, perhaps through phone recorded community message. Local business sponsored events, i.e.- Aristopets, Coffee Mill, Irish Dance studio, Rubber Stamp store, Yoga, etc	4/2/2020 2:23 PM
60	Bathrooms located in more than 1 place cleaned regularly.	4/2/2020 12:22 PM
61	I think charging a fee is a deterrent, and some folks cannot afford.	4/1/2020 7:39 PM
62	No dog park please! We are allergic and this is one place dogs are not that we can enjoy.	4/1/2020 1:17 PM
63	Thank You.	4/1/2020 9:10 AM
64	We live Lewisville and we trust the town's improvement will be great. Good luck!	4/1/2020 8:38 AM
65	In this facility, I would love to see it as multi-use, with some designated areas, but with a design that would allow for such events as a beautiful wedding/reception, and one where the community can come together.	4/1/2020 7:36 AM
66	Take a look at the wooded disc golf course at Cedar Rock Park just outside Burlington. The wooded course is much more fun than an open course where all the holes feel the same.	4/1/2020 6:53 AM
67	Allow dogs on the trails.	4/1/2020 1:12 AM
68	Dogs should be restricted to limited areas. Scared about being knocked down by aggressive dogs	3/31/2020 11:04 PM
69	Thank you for the opportunity to voice my thoughts	3/31/2020 9:20 PM
70	I would pay a fee but would prefer not to if possible.	3/31/2020 6:29 PM
71	I don't want to pay for each event, but would be willing to pay a yearly (membership) fee for entrance to all parks and events. It's reasonable to charge a fee for specific private use of certain facilities.	3/31/2020 6:06 PM
72	Not recreational related but please consider work-live spaces you would attract younger people to our town.	3/31/2020 5:07 PM
73	Lewisville has great amenities but would benefit from more family friendly recreation.	3/31/2020 4:18 PM
74	Thank you - it's going to be a wonderful addition to our town!	3/31/2020 2:48 PM
75	I wish there was a bike path connecting Lewisville to the Greenway and also one down Lewisville-Clemmons Road so the various neighborhoods could bike to the main downtown area.	3/31/2020 2:26 PM
76	Please no new taxes	3/31/2020 2:23 PM
77	Thank you to those who have helped make Lewisville one of the best small towns in our area. I very much appreciate all that has gone into urban planning, the shower for I very much appreciate all that has gone into urban planning, Shallowford Square, the traffic circles, business restrictions, road ways, etc. I also appreciate the vision for improvement as we move forward.	3/31/2020 1:46 PM
78	Lewisville is a great place to live....just wish there was a place to walk or hike trails closer to town than Tanglewood	3/31/2020 12:31 PM
79	Desperately in need of a biking area; Lewisville is a great place to bike, but imposes traffic and parking problems. Biking is a healthy past time and should be the first to offer great, long biking trails.	3/31/2020 11:54 AM
80	I love all the free events offered at Shallowford Square. When I moved here from MD a year and a half ago I was so surprised at all Lewisville has to offer. I would love to keep them free as long as possible. However, possibly have people that don't live here pay a small fee to attend movies, plays, concerts. Just a thought.	3/31/2020 11:43 AM
81	Many non-residents use Lewisville amenities and attend special events. Lewisville residents	3/31/2020 10:49 AM

Jack Warren Park Master Plan Survey

should be allowed to use fee free because we are living here and paying taxes. Think events/Lewisville should charge non-residents a fee if they choose to utilize our areas or attend Lewisville's amazing events.

82	I feel that the Park is much more important to our community than the proposed road being built. Use those funds	3/31/2020 6:59 AM
83	How nominal?	3/31/2020 4:36 AM
84	Due to the severity of the pandemic and all the economic and other consequences stemming from it, I don't think this is a time to be asking for grants or new uses of any kind of tax money. My responses to the above questions should be viewed as applying to whatever time in the future when we can again consider spending money on non-critical needs.	3/31/2020 12:34 AM
85	set up donations, my church does and we make more \$ on donations than paying a fee	3/30/2020 11:15 PM
86	Please look at Cedarburg WI as a town model for destination and bike path building. Make Lewisville the destination to bike to.	3/30/2020 10:29 PM
87	I have lived in Lewisville for 24 years now. I have watched all the well thought out changes occur and couldn't dream of a better place to live. Thank you for all you do.	3/30/2020 10:02 PM
88	I would be willing to pay a fee for an occasional special event, but not for regular everyday use.	3/30/2020 9:50 PM
89	WE MOVED HERE TO LEWISVILLE in 1999 b/c it seemed quaint & well cared for. However, landscaping & City offices have taken all the best funds & poor decisions have now left Lowes shopping center emptied!! Stop pushing folks AWAY FROM LEWISVILLE and start interests besides crowded movies in the tiny CITY SQUARE! Burning hot play equipment all sunny days in spring, summer & fall- limits all use for younger children in Jack Warren! All the \$\$\$\$ spent to build play area and not one ounce of shade from 10:30am to 6pm IN NICEST SEASONS TO PLAY,,, TRASH IS ALWAYS OVERFLOWING OUT OF THE HUGE SET OF BINS AS IF LV HAS NO IDEA THEIR ARE FAMILIES USING THE PARK. 1-UMBRELLA W/ TABLE,! NOTHING OVER ALL THE SLIDES FACING SUN.???? Very embarrassing to bring our grandchildren & the trashcan is to full for a 5 yr old to place anything in when we leave! It is almost as though LV "does not want to see any children" in the town! AS FOR THE " TOWN SQUARE"... LV CITY "SQUARE PARK" had BIKERS (All the Corp guys!) & men & Cops- visiting ea other every time I stopped w/ grandchildren- but yellow danger tapes all around equipment for KIDS ALL SEASON! LIBRARY- STORY HR WAS SO POOR! YOU ADVERTISE WONDERFUL CHILDREN'S STORY HR ROOM - THAN NEVER ALLOW OUR YOUNG GRANDCHILDREN TO EVER SEE THE STORY HOUR ROOM!!!! That our TAXES PAID TO BUILD!! INSTEAD WE WERE HERDED IN A GREY BORING MEETING ROOM TO WATCH AN UN-TRAINED Story hr guide ATTEMPT SADLY TO KEEP ATTENTION OF KIDS WAY TO YOUNG FOR SECOND GRADE READING BOOKS!!! ANNOUNCEMENTS FROM AN ASTRONAUT ON A BORING FILM AND MANY SAD ATTEMPTS AT OFFERING STORY HR,,, ALL WHILE GROWN WOMEN MET TOGETHER IN THE STORY HR ROOM,.. GET WITH THE PROGRAM FOLKS... THE LIBRARY IS THE MOST PRODUCTIVE WAY TO TRAIN UP A CHILD & PARENT HOPEFULLY TO "BE INTERESTED IN READING!!!!!!" Whom ever the HEAVY OLDER, bossy woman is in your Library has "NO PEOPLE SKILLS- SHE IS VERY OFFENSIVE & SHOULD NEVER, NEVER SPEAK DOWN TO THE YOUNG GIRLS "TRYING TO DO A GOOD JOB!" She should not work with public in any fashion... every time I have ever entered "OUR LIBRARY" she immediately approached as if I need to HEAR HER LATEST BABBLING! I WAS BORN & RAISED IN ONE OF THE WEALTHIEST TOWNS IN THE ☐☐ I guess I am just not accustomed to librarian management with no skill or professional experience!	3/30/2020 9:46 PM
90	If the town opts for a dog park, as many are requesting, will the town pay someone to clean it up or will the citizens living nearby be burned by extra vermin and trash left from irresponsible pet owners?	3/30/2020 9:45 PM
91	1) If funding falls short, always consider business sponsorship with naming rights and/or a donor wall. As a business owner, I am always more inclined to donate when I can challenge my business friends to do the same. 2) When I visited Denmark a couple of years ago, my host took me to his town. He just moved his family there, and it was an upscale, bedroom community much like Lewisville. They had a community center / rec center in the town, where arts and indoor sports were practiced. It was a nice, lively center, that sort-of mimics a YMCA, but on a smaller scale. I immediately thought how a space like that could work in Lewisville.	3/30/2020 9:44 PM
92	Jack Warren is a very nice park. I would enjoy a walking trail for leash walking dogs	3/30/2020 9:39 PM

95	We love our small town.	3/30/2020 8:49 PM
96	I love JWP and use the trail several times per week. I would be willing to help organize a stargazing expedition in the park during peak meteor shower nights.	3/30/2020 8:22 PM
97	We're don't need a second amphitheatre in town, broaden the offerings	3/30/2020 7:54 PM
98	Thank you for considering these options!	3/30/2020 7:06 PM
99	As long as the fees are nominal and or adjusted by household income	3/30/2020 6:39 PM
100	Things like music, plays etc support local businesses also. Farmers market area is needed also.	3/30/2020 6:30 PM
101	"Nominal " fee being important...	3/30/2020 6:29 PM
102	An amphitheatre to bring in music acts like at Bailey Park or last year at the Dash stadium with Vertical Horizon/Sister Hazel would be great. Big enough acts to pull a crowd, but not too big of a crowd. Plus, yall really need to figure out how to get the fireworks display back for residents only. We finally get to move back home with our children and the board up and killed it. My kids are still heartbroken.	3/30/2020 6:23 PM
103	PLEASE DO THIS!!!	3/30/2020 5:56 PM
104	I would prefer not to pay a fee to attend an event but would pay a fee to "rent" a facility.	3/30/2020 5:45 PM
105	In Florida we paid \$50/month for a good dog park. Would certainly be willing to do that here if not more.	3/30/2020 5:02 PM
106	this has needed to be done in my opinion from the begining. a lot of people we know fill the same way.	3/30/2020 4:54 PM
107	I look forward to more outdoor activities offered! (Especially the hobby airplane runway!)	3/30/2020 4:35 PM
108	I look forward to our growing community!	3/30/2020 4:34 PM
109	bring back the 4th of July fireworks. Make sure the annual December Christmas holiday parade is less political. anti abortion group was disappointing and not appropriate for the event.	3/30/2020 4:31 PM
110	I think charging fees for areas such as splash pad is fine but those in town limits should be free or have a largely discounted annual pass	3/30/2020 4:29 PM
111	.	3/30/2020 4:21 PM
112	Prefer no charge More senior activities needed	3/30/2020 4:21 PM
113	If there are fees, I would hope they are annual, or a one-time fee, and based on home location (coming in from other areas should be charged more). thank you for all you do!	3/30/2020 4:19 PM
114	Maybe charging a small fee would keep out rif-raf.	3/30/2020 4:18 PM
115	Dog park	3/30/2020 4:09 PM
116	Thank you for all that you do!	3/30/2020 4:09 PM
117	Splash Pad!	3/30/2020 4:08 PM
118	Love Lewisville. Have lived there off and on over last 20 years. My children still go to school at LES. Have numerous friends on the community. Participate frequently with events and visit local shops and restaurants.	3/30/2020 4:01 PM
119	I feel sidewalk access to all public facilities should be available for ALL who live within town limits.	3/30/2020 3:54 PM
120	Fees can keep people from events, especially as the current pandemic has hurt a lot of people financially.	3/30/2020 3:49 PM
121	Appreciate Lewisville parks and the ",keep ers" of the parks; gardening and maintenance.	3/30/2020 3:49 PM

Jack Warren Park Master Plan Survey

122	I'd be willing for classes and use of rec-room space but not so much for the parks and plays.	3/30/2020 3:47 PM
123	Fees should be established for use of facilities, but if public is walking outdoors-i believe this to be outside of fee requests. Picnic area reservations, use of specific facilities or rental of property for special events constitutes better use of general fees.	3/30/2020 3:44 PM
124	Although a splash pad would be fun I'm not sure it would be the best thing for our parks. I have witnessed dangerous play and unsupervised kids at the current splash pads in Forsyth county.	3/30/2020 3:41 PM
125	I pay a fee to go to Tanglewood because they offer so much. I would only be willing to pay a fee if the park offered more amenities than just a playground and paved trail.	3/30/2020 3:33 PM
126	I don't think a community center is necessary or affordable at this time. Wait a few years. It's being rushed.	3/30/2020 8:14 AM
127	No tax increases.	3/29/2020 12:39 PM
128	Though the large scale farms are dying out, hobby farms and homesteads are an ever increasing way of life. Not only here in Lewisville but in most surrounding areas. Many of us are forced to travel to other towns and cities to sell, trade or barter our goods. Can we not have 2-3 annual markets per year?	3/29/2020 9:24 AM
129	We love Lewisville and all it offers! So many great events and good people. Thank you for all you do for our community!	3/28/2020 9:30 PM
130	Keep taxes down. Government small. Get some businesses that the town can enjoy enough with Doctors. What happened with business down and living area upper level in the downtown area. Our Main Street is going to be nothing but dentist doctor vets and death. Shameful.	3/28/2020 8:00 PM
131	I would pay a small fee for a specific event or class as long as the fee is the same for all residents..I hope there will continue to be many free events at Shallowford Sq.	3/28/2020 6:41 PM
132	No tax increase	3/28/2020 6:03 PM
133	I hope Lewisville residents enjoy the Town's current amenities, need to plan for the future.	3/28/2020 5:32 PM
134	I think a sprayground would be amazing. A lot of surrounding areas have received grants to install one.	3/28/2020 10:18 AM
135	None	3/28/2020 9:45 AM
136	Something similar to Tanglewood would be great	3/28/2020 8:04 AM
137	we already pay Lewisville city taxes.	3/27/2020 9:20 PM
138	Quit messing around with parks and recreation and fix basic necessities. Roads and roadsides with proper maintenance and drainage. Sidewalks!!!! Speed Humps!!!! People want their tax dollars used to make safe, secure, and comfortable neighborhoods where they live, not lavish once-in-a-blue-moon-I-might-use-it-one-day park facilities. I really believe the Town Council is wasting 10s of millions of dollar on things the residents of this town do not care about... at... all.	3/27/2020 9:15 PM
