

LEWISVILLE TOMORROW – AT A GLANCE

Lewisville Tomorrow will become the tool to guide the future direction of the Town of Lewisville. Lewisville Tomorrow is a comprehensive plan designed to respond to information as it is identified during the planning process, whether as part of the review of previous or ongoing initiatives, new analysis, or community input collected along the way. Lewisville Tomorrow will maintain a focus on a core purpose—to ensure an informed decision, rooted in community values, is used to select a preferred growth strategy. This growth strategy, in turn, provides clear direction for land use initiatives.

Planning Process

The overarching goal of Lewisville Tomorrow is to create a plan to forecast, direct, and manage growth in a way that is uniquely Lewisville. The planning process for Lewisville Tomorrow will be guided by a Steering Committee of Town staff and local representatives. In general, the Lewisville Tomorrow process rests on four pillars:

- » Use goal setting and visioning exercises to understand baseline community desires.
- » Leverage the work of earlier and ongoing plans.
- » Create a holistic understanding of community dynamics.
- » Offer realistic and measurable strategies for the plan’s major topic areas.

One Process, Two Plans

Lewisville Tomorrow is one process resulting in two plans. A Parks, Recreation, and Cultural Plan, or PARC Plan, will provide a blueprint for future investments in parks, recreation, and open space. The PARC plan will become a piece of the Comprehensive Plan which will provide a comprehensive strategy for aligning future growth with the various elements of the community itself.

Project Timeline

Lewisville Tomorrow will take shape over five simple phases, beginning with this understanding of community characteristics and concluding with an implementation strategy. Community engagement will occur throughout the process, and interim deliverables will reflect progress along the way.

Study Area

Lewisville Tomorrow is focused within the Town Limits of Lewisville, a North Carolina town located in Forsyth County, west of Winston-Salem. Lewisville has a blend of small town charm combined with the amenities that city life offers with Winston-Salem just a short drive away. The Study Area shown on this map encompasses the full Town limits. While the City of Winston-Salem and Forsyth County are referenced in this analysis, this plan focuses exclusively on the Town.
