TerraCycle offers free recycling programs funded by brands, manufacturers, and retailers around the world to help you collect and recycle your hard-to-recycle waste. The Lewisville Environmental Conservation & Sustainability Committee currently has 18 different TerraCycle programs that allow our residents to collect and recycle more of their waste. Keeping this waste out of the landfill is good for our environment, plus the more we ship to TerraCycle, the more donation money we earn for Lewisville Elementary School! For more information send an email to [terracycle@lewisvillenc.net](mailto:terracycle@lewisvillenc.net).
