## Town hosting festive 25th Anniversary celebration

August 13th, 2016 will mark the 25th Anniversary of the incorporation of the Town of Lewisville. The Town of Lewisville will host a festive celebration in honor of its silver anniversary.

A special 25th Anniversary Committee has been formed to plan and oversee this event. There will be live entertainment featuring, "Letters from Home", "The Craft Brothers" and "Phatt City Band".

There will be a variety of food vendors, arts and crafts vendors, local business participants, a classic car show and a host of activities for children and adults. There will also be a scavenger hunt and a time capsule.

"The Anniversary event has been especially heartwarming for me to work on because of what our community truly stands for" said Marci Gallman, Chair of the Parks and Recreation and Cultural Development Board. "This celebration moves our town in the right direction for a healthy and progressive future," Gallman added.

Yvonne Hall, Chair of the Beautification Committee echoed Gallman's sentiments adding, "Lewisville is a town like no other that places its citizens first. It is a celebration for living in a wonderful town and I hope the whole community will join us in this celebration."

The 25th Anniversary Celebration Committee is busy finalizing all of the details for this fun-filled August gala. The 25th Anniversary Celebration Committee Chair, Sandra Mock, said "We want to offer a day filled with fellowship, fun and plenty of activities for adults and children. We want to involve the entire community. We also have volunteer slots available for teens and adults. This is a great way to participate in this community event."

If you would like to volunteer to assist with the celebration, please contact Town Hall at 336-945-5558 or via email to [25yearcelebration@lewisvillenc.net](mailto:25yearcelebration@lewisvillenc.net)

The event will take place on Saturday, August 13 from 2-9 p.m. at Shallowford Square. This is an event that offers something for everyone. Please see the event flyer included in this newsletter for more details. This flyer will include a map of all festivity locations and will serve as a program to bring for the event.

# From your Mayor

*What a wonderful community in which we live. Over the last few weeks, we've been able to experience fabulous music in the Square, movies under the stars and our town's annual Street Party. We've remembered our fallen heroes on Memorial Day and saluted them with a military appreciation concert.*

*The fifth grade classes from Lewisville Elementary School celebrated their graduation to middle school with a noontime picnic at the Square where we've also seen young couples take their vows under the gazebo and toddlers take their first trip down the slide in the playground.*

*Our sidewalks around town and the par course at Jack Warren Park are alive with residents, young and not so young, getting their exercise or just taking a leisurely stroll.*

*This is the time of year when we applauded many of our young men and women; Emma Dull, Olivia Mock and the truly impressive Victor Brown for distinguishing themselves as part of our Lewisville's Student Leadership Committee. 2016 graduates Zoya Thompson and Victor Brown who received Lewisville's Civic Club scholarships and young Mr. Ean McCool who received an appointment to West Point. We're so proud of you and all of the many young people who call Lewisville home.*

*For me personally, I was most proud of our community during the USA Cycling Masters and Para-Cycling Championships when we hosted hundreds of visitors from around the nation. I had the privilege of meeting the riders in the para-cycling events; men and women who have lost limbs or*

*incurred other debilitating injuries here at home or in the service of their country overseas in Iraq or Afghanistan.*

*One such individual is Shawn Morelli, World Para-Cycling Champion and a former captain in the U.S. Army. She was seriously injured when her vehicle was destroyed by an IED while serving in Afghanistan. (See photo on page 3)*

*As for Ms. Morelli and several dozen other para-cycling race champions who stepped, or were assisted, up on the awards platform to receive their medals, my heart swelled with pride, and I admit my eyes watered a bit, that we could be a part of this.*

*How fortunate we are to live in a community that offers so many diverse and wonderful activities for our residents; a community that is accepting of all people. A place where neighbors care about each other and our children are safe.*

*It is my privilege to serve as your mayor. I'll see you at our July 4 and 25th Anniversary celebrations.*

*Enjoy the rest of your summer and if I can be of assistance, please let me know.*

## Recycling contamination poses costly problems

Lewisville has had a curbside recycling program in place since 1992. All collected recycle materials are sorted at Waste Management's single stream facility where it is separated and processed.

When unacceptable or contaminated items are placed in the cart, it can disrupt the process. Plastic grocery bags or plastic newspaper sleeves can jam the conveyor belts and wrap around the gears.

Waste Management representative, Stan Joseph explained, "Adding unacceptable items or contamination to your cart can often cause an entire batch to be discarded. This not only slows the process but drives up the costs significantly higher. It's important that participants observe the guidelines we have in place."

The rule of thumb is corrugated cardboard, beverage cans and glass bottles, plastic bottles and caps, chipboard, newspaper, junk mail and aluminum foil.

"It's imperative for each recycling participant to be aware of the established recycling guidelines", Joseph added.

A list of acceptable recycle items is available on the town's website, [lewsvillenc.net](http://lewsvillenc.net) or the Waste Management website at [wm.com](http://wm.com)

## Tarzan the Musical debuts in Fall

Tarzan the Musical, based on the Disney film of the same name is scheduled for the Fall play at Shallowford Square.

The musical closely follows the plot of the original Disney film.

"This is the Disney version of Tarzan with music by renowned songwriter, Phil Collins. We will begin rehearsals on July 11 and will then be rehearsing Monday through Thursday evening until the show opens. There will be some weekend rehearsals closer to the show date. A lot of time and effort goes into the plays to insure a great production" said Play Director, Steffanie Vaughan.

"This is a big production but we think it is something that can be enjoyed by young and old alike" said Play Producer, Melissa Peller.

The shows all begin at 7:30 p.m. and will run from September 2-4 and again on September 9-11.

Bring a lawn chair and the entire family for a great evening of outdoor theatre.

Chairs may be placed in the square only on the day of the play you are attending but must be removed at the conclusion of the event.

Concessions will be available for purchase.
