## Lewisville Plans for Annual Independence Day Celebration

Plans are underway for the Town of Lewisville's annual Independence Day celebration. The free festivities will take place on Wednesday, July 4 in Shallowford Square.

The Extraordinaires band will take center stage at the pavilion beginning at 6 p.m., followed by an elaborate firework display at dark. Concessions will be available for purchase.

"This is always a popular event in the Town," said Town Manager Hank Perkins.

"People travel from near and far to partake in one of the best fireworks displays in the county. Although we receive thousands of spectators for this event each year, the Forsyth County Sheriff's department has always done an excellent job assisting with traffic control to insure that safety is always first and traffic is directed out of the area as quickly as possible."

The celebration requires numerous hours of planning and preparation, said Events Coordinator Stacy Howard.

"We actually begin planning for this event in January," said Howard.

However, Howard said the effort is well worth the results with the excitement it brings for the town.

# From your Mayor Sweet Summertime

**“A perfect summer day is when the sun is shining, the breeze is blowing, the birds are singing, and the lawn mower is broken.”**

**– Author James Dent**

*Of all our four seasons, the coming of summer is among my most favorite times.*

*It's a time of boldness when, despite our hibernation from the sun for the last six months, we throw modesty to the wind shedding our long pants and long sleeve for far more cooler shorts and tank-tops.*

*It's when we truly acknowledge that despite our best intentions to drop a few pounds, we just don't look as good in our swimsuits as we had hoped. But then, neither do any of our friends.*

*It's when grills that have been dormant for months, come alive with the sizzling sounds of steak, chicken, burgers, hot dogs and meats of unknow origin.*

*It's when our neighborhood pools become silly with the sounds of Marco Polo and when gaggles of teens appear, all plugged into iPods, transfixed in texting, completely oblivious to everything around them.*

*There are plays, concerts and movies in the square. Fourth of July fireworks with 10,000 of your closest friends. It's when a myriad of fun walks, runs and rides are staged in Lewisville because we're just that kind of community.*

*It's Northwest Little League baseball, WCCC youth basketball and swim team meets.*

*It's ice cold watermelon, seed spitting contests and home-made ice cream fresh from a churn.*

*It's a time for block parties, cookouts and picnics under the gazebos at Jack Warren Park and Shallowford Square.*

*Why is it that fried chicken, potato salad, baked beans and corn on the cob always taste so much better in summer? Or the mingling of a drenching sweat with a cold beer presents such a refreshing pleasure.*

*Summer is fireflies, honeybees, humming birds and creek frogs. It's the squeals and laughter of children playing outside in the evening twilight.*

*And it's a time for new romance and romance that has been enriched by years of summers together.*

*This time will pass all too quickly, and in years forward we will reflect with the fondness of memories.*

*I wish you and your family the most wonderful of summers in our little town. Enjoy every moment.*

*As always, I welcome your thoughts.*

## Town Committees Join Forces to Fight Plastic Waste

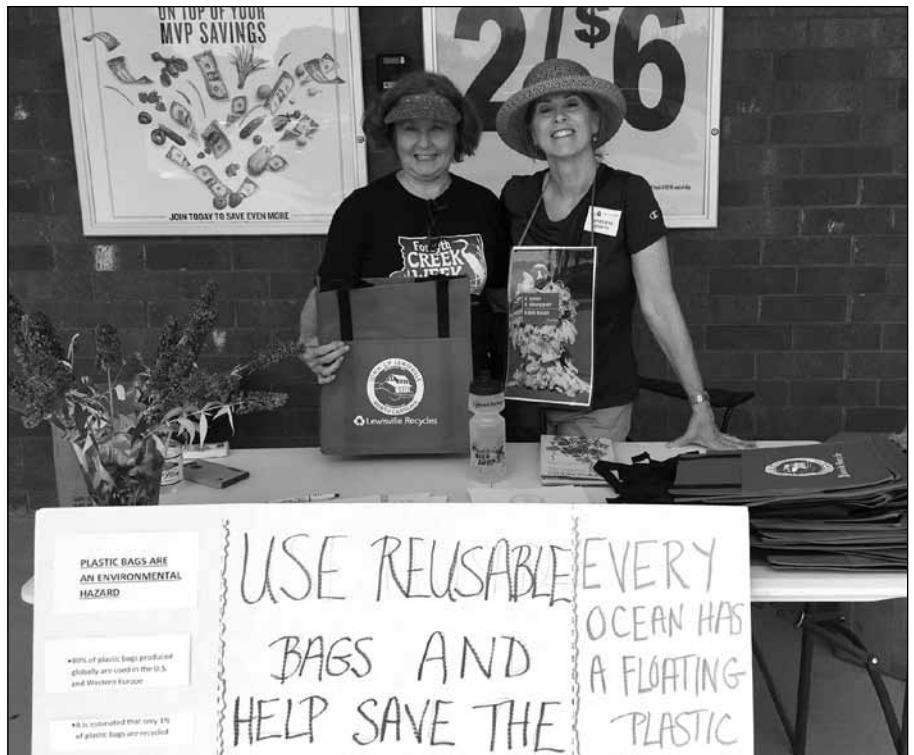

Lewisville area shoppers now have need for one less plastic bag. As a joint effort to reduce plastic waste in the area, the Lewisville Beautification Committee and the Recycling Committee recently distributed more than 600 reusable grocery bags at Lowe's Foods and Food Lion in Lewisville.

Following the town's Clean Sweeps the committees decided to partner-up and distribute the reusable grocery bags as well as educate the community on the importance of using them.

The Lewisville Recycling Committee had three members, George Stilphen, Kay Smitherman and Russell Bailey, stationed at Lowe's Foods that Saturday handing out the bags to interested shoppers and discouraging the use of plastic grocery bags, as they are such an environmental problem.

At the Food Lion location, the town's Beautification Committee had two members, Miriam Marley and Genevieve Athens, stationed at each entrance and handed out 350 bags.

The committees' representatives said the bag recipients wanted a
