Bulky Item Collection begins May 7

The Spring Bulky Item Collection will begin on Monday, May 7 for Lewisville residents.

All bulky items must be placed curbside by 6 a.m. on Monday, May 7. Waste Management will make one pass through the Town to ensure all items are collected.

"We want to make sure our residents are informed as to what is considered a bulky item. This event is intended for disposal of items too large to fit within a trash cart - items such as large pieces of furniture, carpet, mattresses, boxsprings and white goods", explained Town Manager, Hank Perkins.

"We are going to provide information in the newsletter, Channel 6, our website and Facebook to give everyone an opportunity to understand what is acceptable for bulky item collection. (An extensive list of acceptable and unacceptable items can be found on page 4 of this newsletter.) Residents may also call Town Hall if they have additional questions or concerns", Perkins added.

The rule of thumb is to avoid placing bags of trash, televisions, cardboard boxes, lumber scraps, clothing, books, construction debris and other prohibited items out for the collection. If Waste Management sees a contaminated collection pile, the site will not be serviced.

Perkins said the collection times are a busy one for staff because of all the calls as to what is allowed, reports of individual homes missed and complaints about people leaving unacceptable items at the curb long after the event has ended.

The staff will be using the Lewisville Connect phone system to contact residents as a reminder prior to the collection. This notification system makes phone calls to everyone with a land line and also to cell phone users if they have provided their contact information. It can also send texts and emails to those who have chosen to receive information in that manner. Residents can register for this service by visiting the Town's website at lewisvillenc.net, access the "How Do I" tab and click on Stay Connected.

Get ready to tackle that garage project and let the Spring cleaning begin. Residents may contact Town Hall at 336-945-5558 to obtain further information or visit the Town's website at lewisvillenc.net.

From your Mayor

I grew up in a Town that was so small...

How small? When we had a parade, there was no one left to watch. A good time on a Friday night was to park on the beach and watch submarine races. The town barber was also the volunteer Fire Chief, the high school basketball coach and the Chairman of the mosquito control board.

Our town was so small that the clarinet and flute players had to wait for half of the football team, all brass players, to come off the field and change into their band uniforms so we had enough people to march at halftime.

The flavor of the month at the local drug store soda counter was always vanilla. Our only choice for cheese on a burger was American and the only doctor in town treated everything from mumps to menopause. If you got sick, you'd better do it early in the day because he went fishing at 4 p.m.

Our town was so small that if we got caught doing something we shouldn't, our Dads were waiting for us at the door before we got home.

So many of us who are my age, and that's not old, grew up in small towns. We knew our neighbors, our sheriff deputies, our fire fighters, the butcher and the mechanic at Joe's garage, whose name was really Jose. My Mom used to say if you knew a good butcher, barber, doctor and Miss Nellie, who made her famous key lime pies every Saturday that you knew everyone you needed to know.

We'd ride our bikes to school-forget asking Mom to drive you. In the summer, we were kicked out of the house after breakfast with a sack lunch and told to be home by dinner. We were baptized, sent to vacation bible school (which seemed like an oxy-

moron to me) and we were expected to be at Harry Harris Park to watch the sunrise over the ocean at Easter.

When we had a serious difference of opinion, we generally settled it with one or maybe two punches in the parking lot of the movie theater, then shook hands and went back to what we were doing.

We could joke with each other, poke fun at our peculiarities and rarely did anyone take it personally. It's just how we got along, and it enriched our friendships.

I could go on for a long time about what growing up in a small town was to me, but the point I'm trying to make is that those experiences, those adventures and feeling of community is what we're trying to preserve in Lewisville today.

So now that the weather is warmer, get outside. Go to the Square or Jack Warren Park. Get to know your neighbors, make a point to get together or attend any of our town's many events. Get to know your neighbors, get together with old friends. Hug your kids. That's what we do in small towns. That's why we live in Lewisville.
