The Town of Lewisville is a residential community of more than 13,000 in western Forsyth County, North Carolina. While the town was incorporated in 1991, we have a long history as a township dating back to the 1700s. One of the reasons the residents decided to incorporate was to retain our small town feel, and a great deal of time and effort have gone into planning for future growth.

Public Works Director

The Town of Lewisville is seeking a Public Works Director who will plan, organize and direct the work of employees engaged in a variety of municipal services. The Public Works Director will be responsible for a variety of public works activities including: sanitation, streets maintenance and repair; buildings and grounds maintenance; and storm water administration, often through services that are delivered through contract.

This position reports to the Town Manager.

DUTIES & RESPONSIBILITIES

- Provides technical advice and assistance to management and the Town Council for public works related matters
- Be an essential member of the team in creating strong and positive relationships with the community
- Work on evenings and weekends as needed.

KNOWLEGE, SKILLS, & ABILITIES

- Be organized
- Communicate effectively both verbally and in writing
- Maintain records
- Supervise employees

To Apply:

If interested, submit by mail or email a cover letter, resume, and the application to townmanager@lewisvillenc.net.

The Town of Lewisville is an equal opportunity employer.

All qualified applicants will receive consideration for employment without regard to race, religion, color, sex, sexual orientation, gender identity, handicap, or national origin.

MINIMUM QUALIFICATIONS

- Graduation from an accredited college or university with a Bachelor's degree in public or business administration, civil engineering, environmental engineering or related field.
- Considerable experience in a responsible management position in the public works or utilities field or an equivalent combination of education and experience is preferred.
- Stormwater SCM inspection and Maintenance Certification is also preferred.

SPECIAL REQUIREMENTS

- Driver's license required.
- Pre-employment drug screen required.
- Background check required.

Position is open until filled.
